

WE SUPPORT LOCAL & BRITISH

We make every effort to support local businesses and use local produce. We have three local lagers on tap instead of the usual mainstream international brands. All of our beef, chicken, pork and dairy is British. If you can recommend any local products or suppliers that would be perfect for the Brownlow please let us know.

Please inform your server of any dietary and allergy requirements when placing your order. We cannot guarantee our dishes are free from nuts or traces of nuts, and that our fish dishes are free from all bones. Despite our strict controls, unfortunately it is not possible to guarantee that our busy kitchens are completely free of allergens. Please see your server for our allergen sheet. (VAT INCLUDED).
